DELIVEREZE

Delivereze Super Concentrate System

The Delivereze Super Concentrate System is a complete line of high performance super concentrates designed for ease of handling and storage. This innovative system features 2.5 gallon dispensing containers that are used to refill the 15-gallon reservoir drums that connect to the mixing/dispensing equipment.

- Delivereze containers are much lighter and safer to physically handle than traditional drums, reducing the potential for injury and a great solution for workers lacking the strength to handle heavy drums.
- The 15-gallon reservoir drums feature an integrated covered funnel for easy refilling and minimized likelihood of spillage.
- Delivereze products can be shipped to you via UPS/FedEx, giving you more options for sourcing your car wash chemicals.
- Both the 2.5 gal and 15 gal containers require less storage and floor space than bulky drums, which is a real problem-solver in cramped equipment rooms.
- These smaller, more efficient containers allow you to order chemicals in just the right quantities based on your consumption, so less backup stock is needed and inventory costs are reduced.

Delivereze: The Best in Super Concentrates!

Trans-Mate, Inc.

The Delivereze product line features exceptional high performing super concentrated formulas that deliver superior results for each step of the car washing process. Most meet our strict Enviro-Mate standards for environmental-friendliness, so you can assure your customers that you are using safe, sustainable products in your car wash.

PREP & PRESOAK

TD10

- Cuts through road film quickly
- Contains water conditioning agents

Packaging: 2.5 Gallon Refills
15 Gallon Reservoir Drum

TIRE & WHEEL CLEANER

TD15

- Quickly removes road grime and brake dust
- Great foam

Packaging: 2.5 Gallon Refills

HIGH FOAM CLEANER

TM22

- Thick, rich foam
- High lubricity

Packaging: 2.5 Gallon Refills
15 Gallon Reservoir Drum

LO PH FOAM CLEANER

TM29

- Cleans and brightens paint, chrome and glass
- Excellent lubricity

Packaging: 2.5 Gallon Refills

DRYING AGENT

TD32

- Excellent sheeting
- Streak-free on glass, chrome and paint

Packaging: 2.5 Gallon Refills
15 Gallon Reservoir Drum

SEALANT/PROTECTANT

TD35

- Innovative polymer bonds to surface
- Durable shine and protection

Packaging: 2.5 Gallon Refills
15 Gallon Reservoir Drum

FOAM CONDITIONERS

TD44, TD46, TD48

(Red, Blue, Gold)

- Rich, bright foam
- Fresh, clean fragrance

Packaging: 2.5 Gallon Refills
15 Gallon Reservoir Drum
