

Maestro Universal Compound

T51

- Removes moderate scratches, defects and oxidation
- Dual abrasive for cutting and polishing
- Restores color and shine
- Body Shop Safe

Description: Fast Cutting Low Swirl Compound

Applications: Body Shop
Used Car Reconditioning
Full Service Detailing

Directions:

For use by DA polisher or rotary buffer with a foam or wool cutting pad. Use on a clean, cool dry surface. Shake well. Apply to buffing pad or surface and buff to a brilliant shine. Wipe off any residue with a clean, soft cloth

Tips:

- Removes 1500 grit or finer finishing sanding marks
- Follow with Finishing Polish to remove swirls and enhance gloss
- Removes heavy scratches from head light and tail light covers

Packaging:

- 4/1 Gallons per case
- 6/1 Quarts per case
- 6/1 Pints per case

Complies with VOC regulatory restrictions
