

Novo Shine Tire Dressing TM 133

- Solvent-base
- Silicone-free
- VOC compliant

Description: Body Shop Safe, Silicone-Free
Solvent-Based Dressing

Applications: Used Car Reconditioning
Body Shops
Retail Detailing

Directions:

Prior to applying product, thoroughly clean tire with a general purpose cleaner and tire brush, then pressure rinse and wipe dry. New tires must be cleaned thoroughly to remove any mold release agents!

Shake product well. Product separates below 44 degrees F.

Spray product on applicator pad.

Apply product to tire with pad.

Allow product to thoroughly dry before moving vehicle.

Improper application of solvent-based dressing may result in product "sling", which can stain painted surfaces.

Trans-Mate assumes no liability for damages resulting from improper application.

Store above 50 degrees F.

Benefits:

- Body Shop Safe
- High gloss. Deep, rich shine
- Durable
- Ready-to-Use.

Packaging:

- 4/1 Gallon Case
- 5 Gallon Head Pack
