

Aqua Shield

Windshield & Paint Treatment TM239

- Repels rain from windshield and paint
- Improves visibility

Description: Car Wash Windshield & Paint Treatment

Applications: Conveyor Systems

Directions:

Dilute up to 200:1. Use 2 ounces or more per vehicle. Apply to windshield or entire vehicle using an arch located in the rinse area of the car wash and follow with a fresh water rinse.

Benefits:

- Premium performance add-on; customers can see the value
- Creates a hydrophobic coating on glass and paint
- Rain water beads and blows away with normal traffic wind
- Improves visibility

Packaging:

- 5 Gallon Head Pack
- 30 Gallon Drum
