

TAME TIGER

Brake Dust Remover TM 520

- Thick formula clings to wheel
- Product turns red as it works
- Great for rail dust removal

Description: Ready to Use Brake Dust and Rail Dust Remover

Applications: Retail Detailing
Car Wash
Used Car Reconditioning

Directions:

Ready to use. Spray onto surface and let sit several minutes. The product will turn red as it reacts with brake dust/rail dust iron. For heavy buildups use a brush, sponge or mitt. Rinse thoroughly using high pressure water.

Benefits:

- Formulated with thioglycolate that chemically reacts with iron in brake dust and rail dust.
- Contains no caustic, acid or bifluoride. Safe for all wheels.

Packaging:

- 1 Gallon

Complies with VOC regulatory restrictions.
